

Who should you trust
your wedding
cake to?

The Very BEST

Our Pastry Chef Kayoko Watanabe brings her world-class training to the BVI. She will meet with you directly to discuss exactly what you would like.

Kayoko can even make you a miniature "taster" cake, so you can be sure you will love it on your special day. If you do not know what you want, we can show you a variety of flavours and styles - chocolate, vanilla, raspberry, lemon, carrot or many others.

Butter Cream frosting or Rolled Fondant, for that smooth elegant look. Simple and clean or lavishly decorated. Your options are limited only by your imagination.

Look through Kayoko's personal portfolio and let the pictures tell the story. Layered or stacked with columns, we can customize the right cake for you.

We use the most high quality and wholesome ingredients. There are no short cuts at the Road Town Bakery. We prefer two weeks lead time so we can make your cake a work of art. For those with exceptionally imaginative orders, longer notice might be in order.
